Hi Bruce,

Would you have time this afternoon – say 2 p.m. for a call with our attorney, Steve Viggiani, on the Newport Biodiesel issue?

Thanks

Nancy Grantham

Hi Bruce,

Attached please find the NOV for Newport Biodiesel that we discussed earlier today. I am tracking down the other documents we discussed. I am talking with staff about arranging a call and will be in touch tomorrow.

Per request, attached is a Clean Air Act Notice of Violation (CAA NOV), dated March 12, 2015, issued to Newport Biodiesel, Inc. (Newport), for violations of the CAA Section 112(r) General Duty Clause at Newport's biodiesel manufacturing facility in Rhode Island. The NOV was transmitted via e-mail to Newport's counsel on Friday March 13th, and was sent via certified mail to the Newport facility on Monday March 16th.

Thanks

Nancy Grantham
